Please note: You cannot add packages to your cart from the Register a New Course box. To purchase packages or view our entire course library, click **Courses** at the top of the screen.

Placing orders will be discussed at length on page 7!

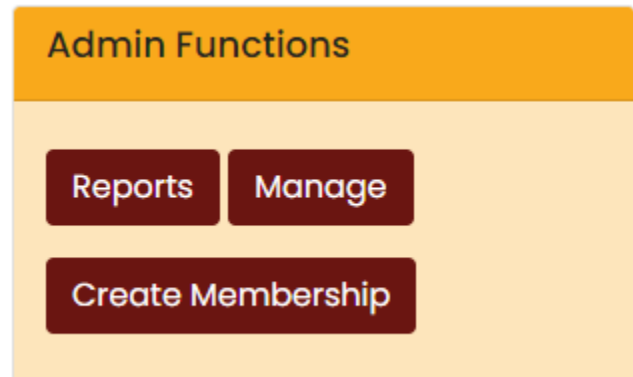

Another new feature is the **Admin Functions** box.

Click **Reports** to view the status of each staff member's progress in their course taking process. This can be

exported to PDF, CSV, or Excel by clicking the buttons at the top right of the table. **Please note: Reports may take a few minutes to generate and download!**

To manage your facility, including adding and deleting staff members, assigning courses and memberships, printing certificates, click **Manage**.

To create a custom membership for your staff, click **Create Membership**. Here you will select the facility the membership is for, fill out the name of choice and quantity, choose the type (Nurses vs Nurse Aides), and then drag and drop your selected courses from the **Available Classes** into the **Classes in This Membership** box.

How to Navigate Your Facility

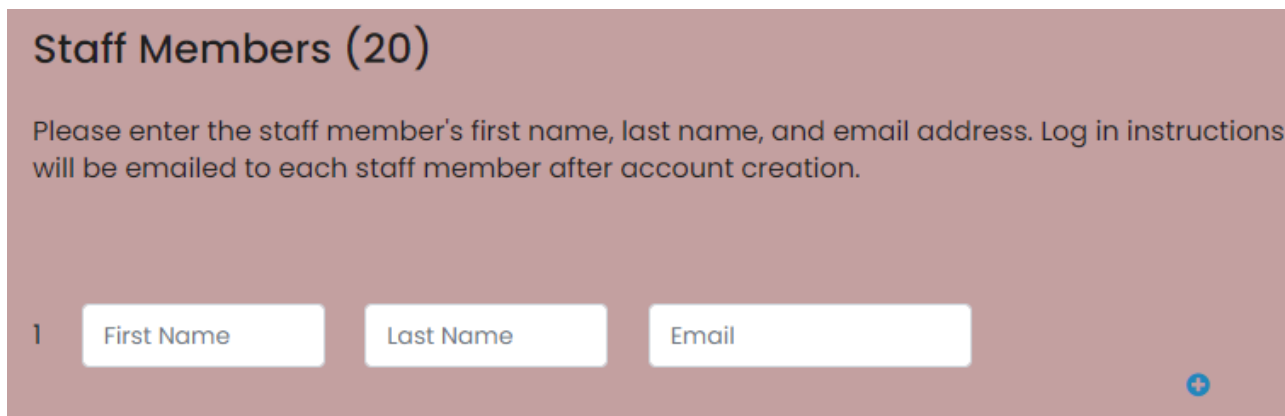

To go to your facility’s dashboard, click **Manage** in the Admin Functions box. Select the facility you wish to manage from the list, you can choose to Manage Staff, Manage Classes, or to edit any facility information such as the address, click the pencil icon to go to the Facility Info tab.

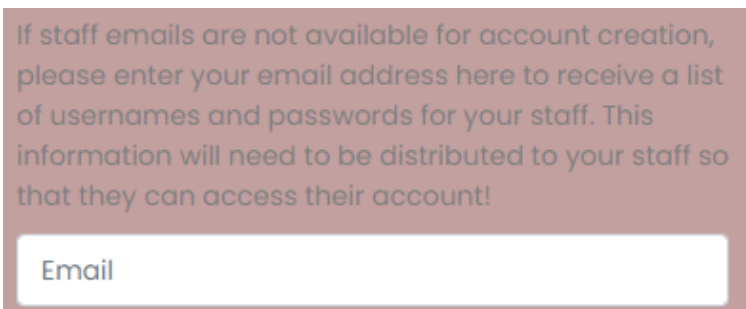

The **Contacts** tab contains the contact information for each facility administrator. You can also add in other contacts such as the DON, educator contact, and Accounts Payable. If your facility pays via paper check, please ensure your AP person is set up in this tab with the email address the invoices need to be sent to! Invoices are now automatically sent out at time of order.

When adding a new admin to the facility, go to the **Contacts** page and click **Add**. Select Facility Admin from the Type drop down, enter in their information, and click the “Needs user account?” checkbox. If you would like them to be able to place orders for your facility, check the “Allow online purchases?” box.

To edit your staff list, click the **Staff Members** tab. Use the pencil icon to edit a staff member’s information, or the trash can to delete them from the facility. (Note: If the staff member has already started their courses, the courses go with them when they are deleted.) To add staff members, click **Add**, enter in their name, and email address. You can now add multiple staff members at one time by clicking the + to add extra rows.

If you do not have email addresses for your staff, you will be asked to enter your email address into the box shown here:

If your staff misplaced, accidentally deleted, or did not receive their email address containing their log in information, you can click on the pencil icon next to their name and click the **Resend Login Info** button. This will email them their username and an encrypted password, and they will be prompted to reset their password upon log in!

You can view and pay your invoices and receipts from within your facility dashboard through the **Invoices** tab. To pay unpaid invoices, click **View Invoice**, then click the **Pay Invoice** button at the bottom.

The screenshot shows the 'Invoices' section of a web application. On the left is a dark red sidebar with navigation options: Facility Info, Preferences, Contacts, Staff Members, Print Certificates, Memberships, Classes, and Invoices (which is highlighted). The main content area has a 'Back' button in the top right. Below the 'Invoices' heading are three search filters: 'Invoice Number' (text input), 'Status' (dropdown menu showing '-- Select --'), and 'Order Date' (calendar icon and 'mm/dd/yyyy' text). Below these is a 'Course Title' text input, a 'Filter' button, and a 'Clear' button. A table below displays two invoice entries:

Invoice #: 1375	Order Date: 8/29/2022	Status: In Progress	View Invoice
Invoice #: 1374	Order Date: 8/29/2022	Status: Completed	View Receipt

Use the **Print Certificates** tab to print staff's certificates of completion. You can select all or select individual staff members. If your staff member has multiple certificates, they will be combined onto one PDF titled by their name.

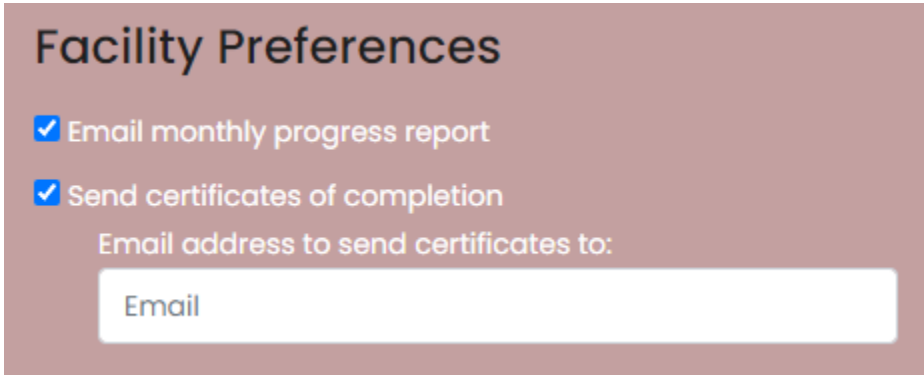

The screenshot shows the 'Certificates of Completion' section of the web application. The sidebar on the left is the same as in the previous screenshot, with 'Print Certificates' highlighted. The main content area has a 'Back' button in the top right. Below the 'Certificates of Completion' heading is a paragraph of instructions: 'Place a check mark by the staff members you would like to print certificates for, then click the "Download Certificates" button. This will create a zip file containing a PDF document for each name selected. This PDF document will contain all of the staff member's certificates, so it may be multiple pages.' Below the text are two checkboxes: 'Select All' and 'Test Nurse'. At the bottom is a 'Download Certificates' button.

In the **Preferences** tab, you will see two checkboxes:

These two new features keep you up to date with your staff's progress through their courses. Don't forget to **save** your preferences!

The monthly progress reports are emailed to all facility admins with a report showing who has not started, are in progress, or have completed their courses.

The second checkbox is to send certificates to a specified email address upon the completion of a course. This ensures that all records are in order in case of an audit!
